## School Mission

By means of a balanced education in moral, intellectual, physical, interpersonal and aesthetic fields, through formal curricula and extra-curricular programmes, we develop in our students the qualities of desirable behaviour and abilities towards realizing the school motto - Wisdom, Virtue, Honesty and Progress.

## 辦學宗旨及使命

本校為學生提供德、智、體、群、美五育均衡發展之機會，並以校訓「明善誠身」作為學生的學習方向。

本校透過正規課程及課外活動，加強學生德、智、體、群、美之培育，並傳授知識與技能，讓學生發揮才能，提高品德修養。

### School Motto

**Wisdom, Virtue, Honesty and Progress**

‘**Wisdom**’ refers to the ‘acquisition of wisdom from academic pursuit’.

‘**Virtue**’ promotes the concepts of ‘loving others and serving the community’.

‘**Honesty**’ is the value reminding students to ‘be an honest and upright person’.

‘**Progress**’ encourages students to ‘strive for improvement in every respect’.

### 校訓

本校校訓為「明善誠身」

「明」：「明辨是非，求知達理」

「善」：「善愛他人，惠澤社群」

「誠」：「誠實謙遜，正直忠純」

「身」：「身體力行，奮進立新」

### A Brief History of the School

This school is a government secondary school. It was built by the late Yuen Long squire, CHIU Lut-sau, JP in 1973, with a donation of HK\$1 million and land allocated by the government. The school covers an area of 5,300 square meters and the school building was officially opened in September 1980.

The opening ceremony of our school was held on 30th January 1981. His Excellency in Governor, Sir MacLehose, was invited to be the Guest of Honour to mark the opening of our school.

Learning and Teaching Strategies

Various learning and teaching strategies are adopted in our school to cater for students' diverse abilities and needs. Enhancement and enrichment activities are designed for students in accordance with their respective abilities, needs and interests.

Students are motivated to learn through a problem-based learning and inquiry approach. Ample learning opportunities are provided by means of group discussions, role plays, forums, open-ended tasks, site visits, field studies and interviews.

Students' critical thinking skills are developed through co-operative learning. Students take the initiative to complete group tasks in which they explore current issues and present their own opinions from multi-perspectives.

The school promotes 'e-learning' to break through classroom restrictions and increase students' learning opportunities. The school has upgraded the wireless network covering the whole school and purchased mobile electronic equipment for students' use. It also has a number of computer-assisted teaching rooms. Students have sufficient information technology equipment for interactive learning.

The school promotes 'self-directed learning' which requires students to do pre-lesson learning tasks, teaches them to use appropriate learning methods, guides them to reflect on their learning effectiveness and cultivates their motivation for continuous learning.

Multiple modes of assessment and continuous assessment strategies like self-learning records, oral presentations, project work, fieldwork, self-evaluations, peer evaluations, SBA, IES, daily work are developed and implemented. Timely feedback on students' strengths and weaknesses as well as advice for further improvement are provided.

The school promotes "collaborative teaching". Teachers enhance their professional effectiveness through collaborative lesson preparation, peer lesson observation, after-class discussions, professional dialogues and mutual learning.

## 學與教策略

本校採用多元化的學與教策略，以照顧學生的學習能力和需要。本校按照學生的學習模式及興趣，選取合適的教學材料，透過悉心設計的課堂活動，促進學習成效。

學生透過解難及探索的模式進行學習，本校也為學生提供不同的學習策略，包括小組討論、角色扮演、論壇、開放式任務、實地參觀、野外考察及採訪等。學生通過「合作學習」，互相交流學習成果。學生合作完成小組任務，從多角度探究時事課題，發表個人意見。

本校推動「電子學習」，以求突破課室限制，增加學生的學習機會。本校提升覆蓋全校的無線網絡，添置移動電子設備，並設有多間電腦輔助教學室，讓學生有充足的資訊科技設備進行互動學習。

本校推動「自主學習」，要求學生課前預習，提升學生的學習效能，教導學生運用合適的學習方法，並引導他們反思學習成效及培養其持續學習的動力。

各學科施行多元化的評估模式及持續性的評估策略，以評估學生的強項與弱項，並提供改進回饋。如個人學習紀錄、口頭匯報、專題研習、考察報告、自我評估、同儕互評、校本評核、獨立專題探究、日常課業等。

本校推動「協作教學」，教師透過共同備課、同儕觀課、課後討論、分享交流、彼此學習，以提升教師專業效能。

## Learning from Reading, Project Learning, Moral and Civic Education

- Our school organizes a series of activities to promote reading culture. The Sunshine Reading Programme for S.1 and S.2 and the Extensive Reading Scheme for S.1-S.3 effectively foster an interest in reading and good reading habits among junior form students. The reading rooms make books and magazines easily accessible to students. Besides, students and teachers regularly share their fun reading experiences in morning assemblies. Students are also kept updated with the information of new books through book exhibitions organized by the School Library. With the use of an online reading platform, their self-directed learning skills are honed.
- The school implements Project Learning in many subjects to enhance students' generic skills.
- The school promotes civic education, moral education, family and sex education, health education, and environmental education through the "whole school participation" model. Through values education courses and a series of activities based on the themes of 'Face the Brightness', 'Fly High and Maximize Your Potential', 'Ride the Wind and Waves', the school wishes to inculcate in students the correct values in personal, family and social life.

## 從閱讀中學習、專題研習、德育及公民教育

- 本校積極推廣閱讀風氣，除推行醒晨悅讀計劃（中一至中二）及廣泛閱讀計劃（中一至中三），還定期於集會時間，安排學生及老師分享閱讀心得。圖書館也定期舉辦書展及推介新書活動。此外，學生透過網上閱讀平台，從閱讀中發展自我學習的能力，本校還鼓勵學生交流閱讀經驗。
- 本校多個科目推行專題研習，提升學生的共通能力。
- 本校通過「全校參與」模式推動公民教育、品德教育、家庭與性教育、健康教育及環境教育，並通過價值教育課程及一連串以「面向光明 振翅高飛 拓展潛能 乘風破浪」為主題的活動，培養學生對個人生活、家庭及社會的正確價值觀。

## Other Learning Experiences

Our school provides students with the opportunities to gain other learning experiences through various means including activities organized by the Student Union & Houses, aesthetic development, community service, physical development, career-related experiences, interest groups, students' exchange programmes and other extra-curricular activities. Amongst 52 ECA clubs, societies and groups, students can choose to join the activities according to their abilities and interests.

Students can participate in the above-mentioned clubs and activities in a balanced way to achieve whole-person development. Students' non-academic performance will be recorded in the Student Learning Profile (SLP) to help them plan ahead for personal development.

- All students in the school are members of the Student Union, joining four Houses namely Wisdom, Virtue, Honesty, and Progress. They are encouraged to partake in various sports and academic competitions.
- In the respect of aesthetic development, our students have performed well in visual arts, drama, music and dance by winning numerous awards. In addition, the school organizes art exhibitions every year to nurture students' talent in art. Different organizations and uniform groups in the school actively participate in various social services, and their performance has been highly regarded.
- Regarding sports development, our students have won numerous awards in open competitions over the years in swimming, table tennis, basketball, badminton, cross-country and rugby sevens.
- To enrich students' work-related experience, the school's Careers & Life Planning Committee, together with other groups and the Alumni Association, will arrange different activities for students so that they would be equipped with knowledge of further education and employment. Senior form students are encouraged to pay visits to different institutions for a deeper understanding of the actual working environment and better mastery of professional skills.
- The school organizes academic exchange programmes every year in different regions to broaden students' horizons. In the past years, our students took part in a geological and ecological study tour in Melbourne and Brisbane, an English study tour in Sydney, a cultural and technological exchange tour in Korea, a national education programme in Xi'an, an exchange tour on STEM in Shenzhen Fuyuan School, a visit to Shenzhen Dajiang Innovation Technology Co., Ltd. and Ningbo Zhenhai Jiaochuan College, etc.

其他學習經歷

本校設有52個課外活動學會及組織，為學生提供多元化的「其他學習經歷」。例如：學生會及社、藝術發展、社會服務、體育發展、德育及公民教育、生涯規劃、興趣小組、學生交流及其他活動等，學生可根據個人的能力及興趣自由參加。

學生可均衡參與上述組織及活動，達至全人發展，而學生在非學術方面的表現，將紀錄於學生學習概覽(SLP)內，以協助學生思考個人發展。

### Student Support

The school conducts tutorial classes for both high and low achievers. Teaching schedules are flexibly adjusted through collaborative lesson preparation and the use of tailor-made materials to cater for learner differences. Regarding support for student development, the Peer Counsellors Scheme under the Counselling Team helps S.1 students deal with their academic and social needs so that they can enjoy a happy school life. To cater for the different learning needs of SEN students, prompt referral is made. The school social workers and teachers work closely with the educational psychologist to provide professional and appropriate support for students in need.

- The school's Discipline Team has adopted different plans and approaches to help students develop self-discipline and a sense of responsibility. In addition, the team also organizes training programs and workshops to teach students leadership and management skills.
- The school's Counseling Team pays attention to the challenges and needs faced by students in their growth. Through a series of student-oriented activities, students exude self-assurance.
- Under the guidance and support of the school social workers (posted to our school by the Scout Association of Hong Kong - The Friends of Scouting) and teachers of the Careers and Life Planning Team, the Counselling Team as well as the Discipline Team, our students enjoy a fulfilling school life and display a strong desire to strive for excellence.
- To provide students in both junior and senior forms with career guidance, the school places great importance on quality life-planning education which is aligned with students' developmental needs at different stages of growth. To help students make career decisions in accordance with their interests, abilities and orientations, a 'CLP Resource Centre' was set up. Information on further education, job descriptions, job opportunities, changes in entry requirements to education institutes will be collected, updated and disseminated to students regularly.
- The Gifted Education Team actively nurtures talented students by organizing campus elite training programme such as Mathematics Training Programme and Chinese Writing Training Class. The Team also recommends talented students to participate in extensive training courses or competitions so that they can fully realize their potential.

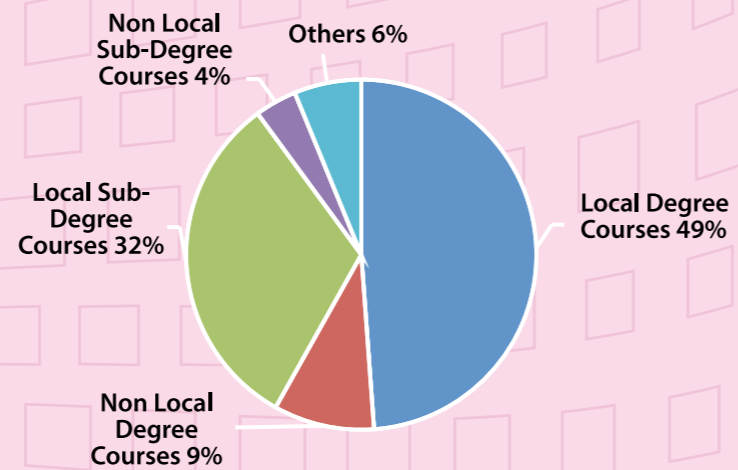

### 學生支援服務

本校提供適切的支援服務和多元化活動，協助學生全面發展和健康成長。本校亦透過拔尖保底、課後補課等措施，並調適教學進度，選擇合適的教材，照顧學生的學習差異，讓學生融入校園生活。

- 在訓育方面，本校訓育組通過不同的計劃和措施，幫助學生養成自律及負責的品格。此外，訓導組亦為領袖生舉辦訓練計劃及工作坊，教授領導及管理的技巧，發展其領袖才能。
